PRODUCT DESCRIPTION

The NEW YORK LED Pendant Light features a modern 24" diameter circular spiral "ring" design with an empty center light that shines indirectly downward. Constructed of a sturdy aluminum frame with a premium acrylic diffuser, the suspended circular profile emits a soft downward luminance. This pendant light is adjustable, can be hung in height and is available in matte black finished. The canopy is finished to match the accessory. Designed in Argentina, this pendant lamp is a perfect complement to your modern or contemporary decor.
