PRODUCT DESCRIPTION

The Integrated LED Pendant Light features a unique 17" diameter modern tapered drum design. Constructed with an aluminum shade and concealed premium acrylic diffuser quality, suspended conical drum emits soft downward luminance. This pendant light is adjustable, can be hung in height and is available in several finishes: matte white exterior and painted wood interior or matte black exterior and painted wood interior. Canopy is finished to match with the accessory. Designed in Argentina, this pendant lamp is a perfect complement to your modern or contemporary decoration. The Buenos Aires pendant series is sure to impress.
