# WELCOME TO LUMPURE LIGHTING, WE ARE EXPERTS IN LIGHTING

The idea of creating Lumpure lighting was born in our Lighting Design Studio in Chascomus, Buenos Aires, Argentina.

We are proud of our almost 20 years in the lighting industry.

We are very happy to share some of our most popular lighting products with you!

Our world is defined by Contemporary Lighting; therefore, we pride ourselves on bringing you the highest quality, incredibly reliable products in the most popular designs at truly reasonable prices.

We're obsessed with modern lighting design, so our team is always on top of the industry's hottest design trends and features. Our luminaires are designed to be subtle statement pieces with timeless designs, robust materials and cutting-edge technology. We want you to enjoy our luminaires for many years!

In addition to designing and delivering high-quality lighting fixtures, we are committed to top-notch customer service. Our Florida-based customer service team combined with our network of experienced representatives are here for you.

With a large stock of products and from various strategic distribution points, we supply the entire American territory.

We're committed to long-term relationships, so we'll work together as a team to ensure your Lumpure experience is seamless every time.

Thanks for considering.

Elevate the level of your home with the luxurious Alabaster Spain Pendant Light. This exquisite pendant light showcases a harmonious union of Spanish alabaster, with unique veining patterns, and brushed gold aluminum, resulting in a refined aesthetic that exudes elegance and sophistication. The 5-light ceiling bar pendant incorporates LED strips in each alabaster ring that enhance light diffusion and emit soft, even illumination in all directions, creating a warm and inviting ambiance. Available in two finishes – matte black and brushed gold – both options beautifully complement alabaster. Designed in Argentina, the Alabaster Spain Pendant Light is a testament to exceptional craftsmanship and design expertise. This premium light fixture is the perfect complement to modern and contemporary interiors, offering a timeless combination of beauty, functionality, and sophistication.

The Italy Pendant Light is a refined and sophisticated piece that showcases the beauty of natural Spanish alabaster. As alabaster is a natural material, each piece is unique with slight variations in color and pattern. The Italy fixture is made of solid alabaster blocks combined with polished aluminum finials, available in 2 finishes, Matte Black and Brushed Gold. Incorporates integrated dimmable LEDs. Italy pendant light has a ring shape form that emits ambient light through the alabaster. Designed in a minimalist style combining natural materials with a traditional style, with simple lines. This unique pendant will stand out in any modern or traditional setting adding elegance and sophistication to your home decor.
